

2016, PART 5

TITLE: SACRIFICE WHAT YOU BELIEVE; YOUR SEED BECOMES THE FAITH LEVEL YOU BELIEVE.

Today's scripture: "By an act of faith, Abel brought a better sacrifice to God than Cain. It was what he believed, not what he brought, that made the difference. That's what God noticed and approved as righteous. After all these centuries, that belief continues to catch our notice."
Hebrew 11v4 (message bible)

SOME FACTS TO CONSIDER

1. There is no faith in stinginess. A withered hand cannot receive. Our faith to receive cannot be greater than our faith to give. Your faith level is at your *giving-level*.
2. Faith is best measured in our seed; that which you are willing to sow.
3. Faith does not work in hatred or ignorance. Faith works in love.
4. Faith believes and keeps on believing until change occurs.
5. Those who have been used mightily by God were men and woman who gave their lives for what they believed God can do.
 6. Faith always starts small; in little things; small steps towards greatness.
 7. Faith will have or meet a measure of resistance at every level of growth.

8. James 1:6 "but when you ask, you must believe and not doubt". Step one "ask"; step two "don't doubt"
9. Faith is not to tell what it **is** but what it is **supposed to be**
10. The more we trust God, the more He can put "in our trust".

FINAL THOUGHTS

1. I remember the very first time the Holy Spirit prompted me to sow R10 000 . It became a battle of the mind. I thank God today that faith won the battle. If not, my life today - more than twenty years later - would have been limited to a lifestyle of R10 000.
 2. You can build your life through labour, sweat and tears or you can choose a lifestyle of sowing and reaping. I chose sowing as a lifestyle. I live in the harvest of all my seed and it is rewarding.
