

# January 2016, Part 7: HARVEST IN THE SAME YEAR

**TODAY'S SCRIPTURE:** "Then Isaac sowed in that land, and received in the same year a hundredfold: and the Lord blessed him. And the man waxed great, and went forward, and grew until he became very great: For he had possession of flocks, and possession of herds, and great store of servants: and the Philistines envied him. For all the wells which his father's servants had dug in the days of Abraham his father, the Philistines had stopped them, and filled them with earth. And Isaac dug again the wells of water, which they had dug in the days of Abraham his father; for the Philistines had stopped them after the death of Abraham: and he called their names after the names by which his father had called them. And Isaac's servants dug in the valley, **and found there a well of springing water.** – Genesis 26:12-33 (KJV)

## FINAL THOUGHTS

1. After many years of sowing I have discovered that **timeframes shortened between harvests every time my faith increased**.
2. I have also discovered as I sow into kingdom assignments, I have no crop failure.
3. The blessing makes my enemies jealous.
4. **Higher levels of sowing demand higher faith-levels of giving**.
1. I am now entering a season in my life where sowing is as natural as breathing; that harvest is guaranteed and the generational blessing is secured in knowing my children will reap a **generational blessing because of my seed**.
